

End-of-Day (EOD) Financial Closing & Ledger Guide

1. EOD Closing Procedure

At the end of every business operating day, store owners must consolidate all active register shifts, perform cash drawer reconciliations, and lock the daily financial ledger.

2. Steps for Daily Financial Consolidation

- **Step 1:** Ensure all cashiers have ended active shifts and declared actual cash drawer counts.
- **Step 2:** Navigate to *Dashboard -> Financial Command Center -> Consolidate EOD Financials*.
- **Step 3:** Verify realized gross profit margins, cost of goods sold (COGS), and net tax liabilities.
- **Step 4:** Export daily ledger summary CSV / PDF report for store accounting archives.
